

CALIFORNIA:
Office of California & Canadian Presses,
149 Fifth, cor. of Wall, et. New York.
In correspondence of numerous papers and publica-
tions, and also by Mail and Telegrams, for
something regarding the Press in California, and
vice versa, please apply to the above.

several show lists a circular letter sent by
showing the names cleared on different dates
the United States departure from New York, and
periods for which letters have been issued.
Also an account of the departure of British
Steamers and sailing vessels from Cape Hav-
with prices of passage by each of the lines,
can be obtained.

(Our local exporters in the C. R. A. Expor-
tation office are anxious to prepare a more com-
plete report to Congress, and which will be most
valuable information to those going to the ex-

WARRANTED PURE
The New Jersey Zinc Co.
WAREHOUSE 45 LENOX STREET
NEW YORK

ARE prepared to supply their Zinc Paints
the following prices:

No. 1 White ground in oil, 8c per lb.
No. 2 White ground in oil, 8c per lb.
No. 3 White ground in oil, 8c per lb.
Brown and Black ground in oil, 8c per lb.

WHITE ZINC PAINT

After thorough tests in Europe and the United States, but especially in the latter, this protective paint has been found to be superior for white and light blue to light green surfaces from all possible atmospheric and chemical influences from all possible climates. It is the most durable and best of all pigments, and is the most economical. It is the most durable and best of all pigments, and is the most economical. It is the most durable and best of all pigments, and is the most economical.

Brown and Black Zinc Paints

These two colors are also superior to all other colors in a few respects. They are more durable and more resistant to the action of the sun, rain, and other elements. They are also more resistant to the action of the sun, rain, and other elements. They are also more resistant to the action of the sun, rain, and other elements.

Don'ts supplied on Liberal Terms by
MANNING & SQUIER, Agents,

PATENTS
 American and Foreign Office
 AGENCY FOR BUSINESS
 WITHIN A PATENT OFFICE,
 22 STATE STREET, Boston.

IN 1880 the subscribers were appointed by
 Commissioners of Patents, Agents of the U.
 Patent Office, in accordance with the 10th Sec.
 of Act of 1874.

Being the only Agency for the transac-
 tion of American and Foreign Patents, we
 make of ourselves agents to the Patent Office.

By application at this office, inventors are advised the known and expense of a journey to Washington, D. C., to obtain a patent is not a small one. They also have the advantage of being able to examine their inventions, if, in making it respect to them; matter of great importance in order to obtain a patent. The office is also equipped with a system of maps, including a extensive collection of maps, charts, and other mechanical appliances, the Patent Office, and is open to all persons who wish to examine the same. The office is also open to all persons who wish to examine the same. The office is also open to all persons who wish to examine the same.

ventors, distressed procuring Patents, and
and information which is often responsible
difficult establishment.

R. H. EDWARDS, Solicitor of Patents

WASHINGTON, JULY 21, 1895.

During the time I occupied the Office
Commissioner of Patents, R. H. EDWARDS, Esq.,
was my associate in the management of the
for procuring Patents. There were forty
persons settled in that capacity, who had so
business before the Patent Office, and those
which was done by the Patent Office.

My friend Mr. EDWARDS, as one of the best
formed and most skillful Patent Solicitors in
United States, and have no hesitation in say-
ing that he is the best man in the person
putting his applications in, and to secure
them in the best and favorable consideration at
